## Design Capabilities

A global design team

Our Global design team is passionate to create distinguished products embracing latest technology and design infrastructure

Design Team

On-Cloud Design Infrastructure

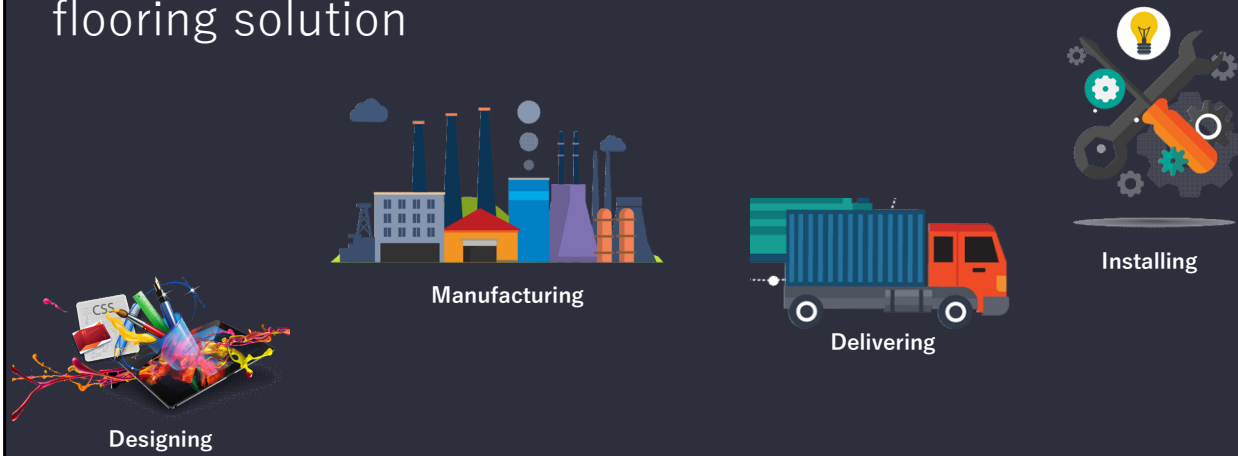

## Make in India

**1<sup>st</sup>** in India to design and manufacture all our products in-house

## One window flooring solution

## Shorter lead timelines

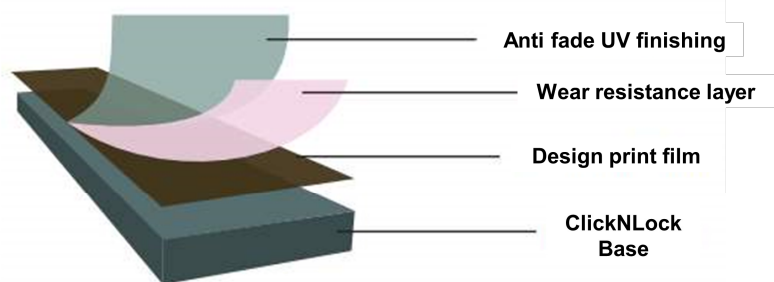

## ClickNLock Tiles Key Features

We thought of starting with a bang! So, we made a revolutionary product – ClickNLock Tiles.

Thanks to its innovative ClickNLock Technology, it enables the aesthetically appealing tiles to be laid with minimal effort on existing flooring in an unimaginative short time, as low as less than a day.

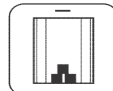

## ClickNLock Tiles Construction

Key Features

 Quick Installation	 Dust Free Installation	 Water Proof	 Termite Proof
 Fire Resistant	 Stain Resistant	 Scratch Resistant	 Weather Proof *
 Green Product	 Recyclable	 Glue Free	 Mix & Match
 Hassle Free Logistics	 Easy to Carry	 Modular	 Less Dead Weight

## Convenience

No need to break the existing flooring..

Welspun flooring solution fits on the existing floor conveniently!

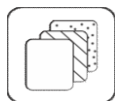

## Carpet Tiles

Easy to customise and even easier to manage, our carpet tiles help create the dream environment – whether it's an inspiring educational space or an upbeat office.

They effectively reduce noise and cushion the impact of drops and falls

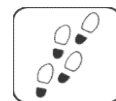

## Carpet Tiles Features

Multiple design possibilities

Resistant

Heat  
Insulation

## Greens

Anyone can mistake our Greens for real grass.

Ideal for Golf courses for beautification, break out zones in multi storey commercials, residential terraces and gardens.

No watering, weeding, mowing or patching up makes it maintenance friendly and all weather green.

## Greens Features

 Provides The Look Of Natural Grass	 EASY TO MAINTAIN Hassle Free Maintenance	 Fire Retardant	 Fit For Horizontal & Vertical Landscaping
 Inbuilt Easy Drainage System	 Water Resistant	 Fade Resistant	 Easy To Install

Sometimes our feet need Soft floor and some other time, Hard floor..

So..  
how our flooring  
should adapt to  
our body  
requirement

## Fusion Floors

A minimalistic amalgamation of hard and soft flooring. It comes and then disappears without telling where they're headed. But not anymore! Well, at least for flooring.

Fusion floors are for those who want to bring their flooring imaginations to life.

Our fusion floors allow you to mix your favorite carpets and Click N Lock tiles to create your exclusive signature design for an immersing comfort.
